Article IV: Code of Conduct Procedures

The following procedures are designed to offer a fair process in determining, and when appropriate, sanctioning students for violations of the Code and other College policies, but should not be confused with standards or procedures that apply in civil, criminal, or external

administrative legal settings. The College's procedures are educational and intended to address the impact of the behavior.

A. Reports/Complaints of Alleged Misconduct

Anyone, including but not limited to students, staff or faculty, who believes a student or student organization is in violation of College policy or the Code of Conduct, may submit a report or complaint to the Dean of Students, or designee. All reports of conduct must be made prior to the actual physical receipt by the respondent of the degree from the College.

A report of conduct should include:

- The name of the student(s), or student organization, alleged to have violated the Code or other College policy;
- A clear factual statement describing the nature of the conduct (date, time, place, witnesses); and;
- The name(s), address(es) and telephone number(s) of those filing the report.

Reports shall be brought as soon as possible after the alleged conduct occurs. Prompt reporting will enable the College to investigate the facts, determine the issues, and provide an appropriate remedy or disciplinary action regardless of a police report being filed. The College shall respond to reports brought after one year to the greatest extent possible, taking into account the amount of time that has passed since the alleged conduct occurred.

B. Review of Alleged Misconduct

The Dean of Students, or designee, will review all reports of misconduct to determine which, if any, sections of the Code and/or other College policies were allegedly violated and refer the case to the appropriate resolution process. In certain cases, an investigator may be appointed to gather additional information.

After reviewing the alleged misconduct and any available supporting information, the Dean of Students or designee will determine whether to dismiss the complaint, utilize some form of conflict resolution, or to bring charges against the student or student organization.

C. Notice of Charges

If there is support that a violation of the Code of Conduct has occurred, the Dean of Students or designee shall prepare a written notice of alleged misconduct. This notice shall be addressed to the student who allegedly violated the Code of Conduct (Respondent). This notice of charges shall be delivered electronically to the Respondent through the College's designated student email system regardless of where the student resides, or, if necessary, by any other means designed to ensure the Respondent receives the notice.

This notice shall identify a time and date for the Respondent to meet with the Dean of Students or designee to discuss the Code of Conduct, procedures, and resolution options available.

D. Resolution Pathway Options

To resolve complaints or reports of misconduct, there are a number of available resolution pathways. The appropriate resolution pathway will be determined by the Dean of Students or designee after a review of available information. The following are available options:

- Informal Conflict Resolution
 - Agreed Resolution
 - Hearings
 - Peer Conduct Council Panel
 - Administrative Hearing Officer Review
 - Disciplinary Hearing Board
1. Informal Conflict Resolution - Informal Conflict Resolution processes such as mediation, facilitated dialogue, restorative justice circles and informal agreements allow individuals involved in a conflict to have significant influence of the resolution process. If all persons directly affected by the misconduct or conflict agree to attempt resolution through one of these processes, and the Dean of Students or designee believes the process is an appropriate form of resolution, arrangements will be made for this type of resolution pathway. Please note, the nature of some misconduct or conflicts, especially those involving violence may render this option inappropriate.

If a resolution is not achieved through this process, a matter may be referred to another option for resolution. Also, resolutions reached through this process may not be appealed.

2. Agreed Resolution - In situations that have been investigated and are to be heard by the Disciplinary Hearing Board (DHB), the Dean of Students or designee and the respondent may agree on the facts and, if warranted, identify mutually agreeable sanction(s) to be imposed. In such a case, the agreed upon facts and sanction(s) shall be reduced to writing, dated, and signed by the respondent.

An Agreed Resolution shall be final and not subject to subsequent proceedings unless the Complainant submits a written objection to cancel the Agreed Resolution within 3 days of the date it was signed by the respondent.

In situations where the Dean of Students or designee and the respondent cannot agree to the facts and sanctions to be imposed, the case shall be referred to the DHB for a determination in accordance with outlined procedures.

3. Hearings - There are three available hearing options which are used for determining responsibility when a student or student organization has been alleged to have violated the Code of Conduct. The Dean of Students or designee will decide which option will be used.
 - *Burden of Proof* - The burden of proof shall be on the College, which must find that the violation was committed by the charged student or student organization by a preponderance of the evidence. In other words, the College must demonstrate that it was more likely than not that the student or student organization committed the alleged violation.
 - *Participation* - Students are expected to participate in the student discipline process when they are called to an Administrative Hearing, Peer Conduct Council, or Disciplinary Hearing Board as a complainant, respondent or witness. Should a student fail to appear when proper notification has been given or should the student fail to provide a statement during the hearing, the hearing will proceed without benefit of that student's input. Meetings

with Administrative Hearing Officers, Peer Conduct Council, and Disciplinary Hearing Boards will be scheduled taking into consideration the student's regular academic schedule only.

- *Advisors* - Students have the option of choosing any advisor, including an attorney, to accompany them through the discipline process. The advisor is not an advocate for the student in the proceedings and may not address the hearing body or speak on behalf of the student. The advisor may speak with the student privately and in a manner that is not disruptive to the hearing or student discipline process. The respective student's advisor may be present at any time at which the student they are advising is meeting with the hearing body or other member of the College staff regarding the disciplinary matter and at which the student wishes for them to be present. A list of advisors can be obtained from the Dean of Students, or designee.

The advisor is obligated to maintain the confidentiality of the nature of the allegation(s), the content of the student discipline process, and the privacy of the complainant, respondent, and any witnesses known to the advisor. Students are strongly encouraged to choose an advisor to assist them in the discipline process; however, it is the student's decision as to whether to seek an advisor and, if so, who that advisor will be. Students can also choose to change their advisor. The student must inform the Dean of Students, or designee, of any advisor changes. Advisors may be dismissed from any proceedings if they disrupt the process. When an advisor impedes the process by being disruptive, it takes this away from the student's experience.

In cases that violate the *Policy Prohibiting Discrimination, Harassment, Sexual Assault, Sexual Misconduct, and Retaliation (includes intimate partner violence, non-consensual sexual contact, sexual assault, sexual misconduct, and stalking)*, both the complainant and respondent have the option of choosing an advisor to accompany them through the process. Members of the DHB assigned to the case, the investigator, or individuals who will be serving as a witness or as another person involved in the case may not serve as an advisor.

A list of individuals who have volunteered and have been trained in the discipline process to serve as advisors in intimate partner violence, non-consensual sexual contact, sexual assault, sexual misconduct, and stalking cases is available from the Dean of Students, or designee, to both the complainant and the respondent. Students are not limited to this list and may be accompanied by an advisor of their own choice.

- *Rules of Evidence* - Civil or criminal rules of evidence shall not apply, nor shall deviations from prescribed procedures necessarily invalidate a decision or proceeding unless it is demonstrated by the student alleging the deviation that there is significant prejudice to the final outcome of the discipline proceeding as it affects the student sanctioned or the College. The results of lie detector tests will not be accepted in student discipline investigations or proceedings. Tape recordings are not made or permitted in any phase of the discipline process.

- *Review of Records* - Student discipline documents (including, but not limited to, contact reports, Public Safety reports and statements) may be reviewed on site at the College by the complainant and/or the respondent, but may not be duplicated or photographed.
- *Confidentiality/Privacy* - Every reasonable and appropriate effort will be taken by all involved staff to protect the privacy of all individuals involved in a student discipline proceeding, as well as the confidentiality of the details and content of the student discipline process, including, but not limited to the preliminary investigation, hearing, appeal process, and except where permitted by College policy and consistent with applicable law, the sanctions imposed and on whom. However, the College cannot guarantee absolute confidentiality. Students involved in the student discipline process, either directly, or as a witness, are expected to maintain the confidentiality of the process and be mindful of the privacy of others involved.
- *Truthfulness* - All individuals participating in the student discipline process are expected to tell the full and complete truth in all disciplinary matters. In order to ensure this is possible, individuals participating in student discipline hearings regarding an alleged violation of the *Policy Prohibiting Discrimination, Harassment, Sexual Assault, Sexual Misconduct, and Retaliation (includes intimate partner violence, non-consensual sexual contact, sexual assault, sexual misconduct, and stalking)* will not be charged and held responsible for minor violations of the Code or other College policy. However, if there is a concern about a student's safety and/or use of alcohol and other drugs, the College may recommend counseling or other educational resources to the affected student.

a) **Administrative Hearing Officer (AHO) Review**

This type of hearing involves a trained faculty or staff member who is serving as the AHO. These individuals are selected by the Dean of Students or designee. This individual will meet with students who have been charged with a violation of the code or other College policy.

The AHO will meet with the student(s) to:

- Discuss the report of alleged conduct,
- The hearing officer investigates the case thoroughly and asks questions of the complainant, and if deemed appropriate to the case, may ask questions of the respondent and witnesses identified by either the complainant and/or respondent.
- Determine an appropriate finding:
- If responsible, impose appropriate sanctions
- The outcome will be communicated to the respondent in writing generally within seven (7) business days; however, unavoidable delay in providing notice of outcome is not an available ground for appeal.

b) **Peer Conduct Council (PCC)**

This type of hearing involves a panel of three (3) trained students of which one (1) will be identified to serve as chair. The Chair's responsibility is to facilitate the proceeding in accordance with the Code of Conduct. The PCC pool consists of approximately ten (10) students. The Dean of Students, or designee, determines membership from applications submitted by students.

It is required that PCC members exhibit the highest ethical standards, disqualify themselves if they believe they cannot be impartial and/or fulfill their obligation to maintain the confidentiality of the process and dignity and privacy of the complainant, the respondent, and any witnesses before, during, and after the process consistent with applicable laws and College policy governing student privacy rights. In addition, the Dean of Students, or designee, is charged with deciding, at his/her sole discretion, whether a PCC member can be impartial or respectful of the confidentiality of the process and the privacy of the individual(s) involved. The decision of the Dean of Students, or designee, is final.

PCC panel is conducted according to the following general guidelines:

- The Chair of the PCC panel will explain the procedures.
- The Chair will read (if written) or explain (if oral) the alleged violation(s) of the Code or
- The complainant (if available) and respondent will be asked to make a statement regarding the allegation(s) of the complaint.
- PCC individually asks questions of the complainant (if applicable) and the respondent. As the PCC deems appropriate to the case, they may ask questions of witnesses identified by either the complainant and/or respondent.
- After all questions have been asked, and if they choose, the complainant and the respondent may make a closing statement to the PCC.
- PCC will then meet in private and, based on their interviews, will deliberate on the information provided and determine an appropriate finding and recommend sanctions in instances where there is a finding of responsibility.
- The outcome will be communicated to the respondent in writing generally within seven (7) business days; however, unavoidable delay in providing notice of outcome is not an available ground for appeal.

c) **Disciplinary Hearing Boards (DHB)**

This type of hearing is generally reserved for alleged violations involving sexual assault, non-consensual sexual contact, intimate partner violence, sexual misconduct, stalking, and retaliation. A DHB may also convene and determine responsibility concerning individual student and/or student organization disciplinary situations involving egregious alleged violations of the Code of Student Conduct and College policies that may result in suspension or expulsion.

In cases where a DHB is assigned, the Dean of Students, or designee, will meet with the complainant and the respondent separately to explain the student discipline process and obtain from each a written statement and list of witnesses, if any, who have information pertinent to the incident.

The Complainant(s) and Respondent(s) will receive a “First Notice of Violations” at, or before, the beginning of the College’s investigation.

The DHB members consist of a pool of trained faculty and staff. The Dean of Students, or designee, determines membership from faculty nominated by the Chair of the Faculty Senate, and other staff or faculty of the College as recommended to the Dean of Students, or designee. An Investigator is generally called to investigate a case and determine findings of facts and credibility of students involved. A DHB determines responsibility for credibility and allegation(s) involving sexual assault, non-consensual sexual contact, intimate partner violence, sexual misconduct, stalking and/or retaliation.

It is expected that the DHB and Investigator for each case will act ethically in their duties and responsibilities and will disqualify themselves if they believe they cannot be impartial and/or fulfill their obligation to maintain the confidentiality of the process and the dignity and privacy of the complainant, the respondent, and any witnesses before, during, and after the process consistent with applicable laws and College policy governing student privacy rights. In addition, the Dean of Students, or designee, will decide, at their sole discretion, whether a DHB member or Investigator can be impartial and will remove anyone whom they determine is unable to be impartial or respectful of the confidentiality of the process and the privacy of the individual(s) involved. The decision of the Dean of Students, or designee, is final. The Dean of Students, or designee, will provide training and orientation sessions for the DHB and Investigator pool at least annually.

Three (3) members of the DHB pool will be called to sit on a DHB panel based on availability, impartiality, and experience.

An Investigator will be called to investigate allegation(s) involving sexual assault, non-consensual sexual contact, intimate partner violence, sexual misconduct, stalking and/or retaliation. An Investigator will be called to investigate a report based on availability, impartiality, and experience.

The Complainant(s) and Respondent(s) will have the opportunity to ask questions to the other party via the Investigator and DHB. If a student wishes to question another student, questions can be provided in writing or verbally to the Investigator or DHB. The Investigator or DHB has discretion regarding the relevancy of questions submitted by either party and will determine if the questions are appropriate to ask.

Prior to a DHB proceeding, the investigation process will take place. Taking time to establish the facts behind disciplinary allegations can help to ensure a fair process for the respondent and complainant. Both the respondent and the complainant will have the opportunity to identify potential witnesses and to provide information to the investigator. The Investigator shall have the discretion to interview any potential witnesses as needed, including

witnesses the investigator identifies through the course of their investigation. The Investigator may determine that not all identified witnesses need to be interviewed if the Investigator determines that they have sufficient information to complete their report or if the Investigator determines that information that would be provided by additional witnesses would merely be cumulative. The Investigation Report will include information and witness statements that the Investigator has determined to be relevant to the allegations, including information that may have been provided by the respondent, the complainant or otherwise developed through the investigation process. Both respondent and complainant will have the opportunity to review the report in advance of the hearing. This report is also shared with the DHB in advance of the hearing.

Once the Investigation Report is complete, the report is sent to and reviewed by the Dean of Students or designee, whose responsibility is to review the full report for specific violations of the Student Handbook based on the final report.

The Respondent(s) and Complainant(s) will be notified, in writing, of the updated violation notice also referred to as a hearing notice which will provide a date and time for the parties to meet individually with the DHB.

Each DHB proceeding will have a facilitator whose role is to ensure compliance with the process and procedures outlined below:

- DHB panel proceedings are closed to all parties except the individual student(s), the DHB panel, the facilitator, the investigator, witnesses, the respective student's advisor(s), and a note-taker.
- The facilitator will convene the DHB panel and will introduce the DHB panel to the participating student and explain the hearing process.
- The facilitator will read the alleged violation(s) of the Code or other College policy.
- The complainant and respondent (if available) will be invited separately to the DHB, regarding the allegation(s) of the complaint.
- The facilitator will read aloud any changes that have been made since the DHB's receipt of the written investigation report.
- The facilitator will then ask the participating student if they have any additional questions of the investigator about the report.
- The facilitator will ask the participating student if they are comfortable responding directly to questions posed by the DHB, or if they prefer to defer to the Investigator.
- As the DHB panel deems appropriate to the case, the panel may invite and ask clarifying questions of witnesses identified by either the complainant and/or respondent. All participants (complainant, respondent, and their respective advisors) must be available for recall by the DHB panel for additional questioning until the facilitator excuses them.
- After the DHB panel has asked all questions, and if the participating student chooses, they may make a closing statement to the DHB panel. The purpose of the closing statement is to provide the DHB

with information that the complainant or respondent would like the DHB to consider in making its decision regarding responsibility. Statements may be oral, written, or both.

- The complainant(s) and respondent(s) will be given the opportunity to phone, video, or conference call into the hearing of the other student. If both parties agree in advance, the Dean of Students, or designee, will arrange for both parties to be present at the hearing. If the student observing the hearing requests to pose questions of the participating student, the DHB will take a break to review questions submitted and determine relevancy.
- The facilitator excuses the respondent from the proceedings after they make their closing statement to the DHB panel.
- The facilitator excuses the complainant from the proceedings after they make their closing statement to the DHB panel.
- The DHB panel will then meet in private and, based on the investigation and interviews, will deliberate on the information provided and determine an appropriate finding and if there is a finding of responsibility, impose sanctions.
- The outcome will be communicated to the respondent and complainant in writing generally within seven (7) business days; however, unavoidable delay in providing notice of outcome is not an available ground for appeal.

G. Sanctions

Sanctions are assessed in response to the specific conduct, the student discipline history of the respondent and in keeping with the policies and procedures described in this handbook so that the student's educational growth and personal development may take place. The assessment of sanctions within the student discipline process is itself part of the College's educational mission and process, even in the case of the sanction of Expulsion. The sanctions are determined taking into consideration a respondent's prior conduct history, the nature of the violation, and the impact or harm to the community. The College is intentional to infuse principles of restorative justice into sanctioning which will allow the student to address any harm they may have caused.

The following sanctions may be imposed upon any student found to have violated the Code (more than one of the sanctions listed below may be imposed for any single violation and note this is not an exhaustive list but rather the most commonly used sanctions):

1. **Warning:** A notice in writing to the student or student organization that the student is violating or has violated the Code or other College policy.
2. **Loss of Privileges:** Denial of specified privileges for a designated period of time. Examples include, but are not limited to, guests, computer use, housing selection, dining, participation in athletics, student government, co-curricular activities, on- campus student employment, recreational and/or social activities.
3. **No Contact Directive:** A no contact directive, specific to a person and/or location, prohibits a student from having direct or indirect communication or contact with a specified person; including, but not limited to in person communication, electronic communication, mail, and/or third-party communication.
4. **Loss of Recognition:** The College may de-recognize student organizations for a specific time period or permanently. In the case of the former, the time period and conditions for reapplying for recognition and resumption of the associated privileges will be outlined.
5. **Fines:** As appropriate to the violation, a fine may be imposed.
6. **Restitution:** Students or Student Organizations may be required to make payment to the College for loss, damage, or injury incurred as a result of a violation. Once restitution is satisfied, the student must provide documentation to the Dean of Students or designee.
7. **Parental Notification:** Parents/guardians of a student who is under the age of 21 and found responsible for an alcohol or other drug violation may be notified by the Dean of Students, or designee, in the form of a letter under certain circumstances.
8. **Programs/Projects/Activities:** Programs/Projects/Activities that help the student understand the inappropriateness of the conduct and designed to help the student become more aware of the Code and other College policies. Examples include, but are not limited to, reflection papers or assignments, online programs, letters of apology, service to the College or an off- campus resource, or other related educational assignments.
9. **Health/Counseling Assessment:** Referral to the Health and/or Counseling and Psychological Services and completion of assessment and any recommended treatments.
10. **Restricted Access:** Conditions imposed on a student that specifically dictate and limit his/her future presence on the campus and/or participation in College sponsored activities. The restrictions will be clearly defined and may include, but are not limited to, presence in certain buildings or locations on the campus or a no contact order forbidding the student from contact with another member of the community.
11. **Residence Hall Relocation:** A student may be relocated to another College residence hall or room.
12. **Residence Hall Suspension:** The removal of the student from College housing (without refund) for a defined period of time after which the student is eligible to apply for readmission to College housing. During the period of Residence Hall Suspension, the student shall not enter any College residence hall except to conduct College related business with an office located within a residence hall.

13. **Stayed Residence Hall Suspension:** When the nature of the violation is serious enough that Residence Hall Suspension is warranted but there may be factors and/or conditions that support allowing the student to remain in College housing, without endangering the health or safety of the student or other student(s), the sanction of Residence Hall Suspension may be placed in stayed status for a defined period of time. If the student is found in violation of the Code or other College policy during the time of stayed status, removal from College housing (without refund) takes effect immediately without further review. The student is also subject to additional sanctions appropriate to the new violation.
14. **Residence Hall Expulsion:** The student is permanently removed from College housing (without refund) and may not enter any College residence hall except to conduct College related business with an office located within a residence hall.
15. **Probation:** A written reprimand for violation of specified regulations. Probation is for a designated period of time and includes the probability of more severe disciplinary sanctions if the student is found to violate any institutional regulation(s) during the probationary period.
16. **College Suspension:** Separation of the student from the College (without refund) for a defined period of time, after which the student is eligible to apply for readmission. Readmission is not guaranteed. During the suspension period, the student is not permitted on campus and shall not participate in any off- campus College sponsored /affiliated activity.
17. **Stayed College Suspension:** When the nature of the violation is serious enough that College Suspension is warranted but there may be factors and/or conditions that support allowing the student to remain in the College, without endangering the health or safety of the student or other student(s), the sanction of College Suspension may be placed in stayed status for a defined period of time. If the student is found in violation of the Code or other College policy during the time of stayed status, removal from the College (without refund) takes effect immediately without further review. The student is also subject to additional sanctions appropriate to the new violation. A stayed College suspension is not available when a mandatory minimum sanction is required under College policies (see e.g., the Sexual Assault and Sexual Misconduct Policy).
18. **College Expulsion:** Permanent separation (without refund) of the student from the College prior to the actual physical receipt of the College diploma. A student who is expelled will not be eligible to receive an academic degree from the College at any time. The student is not permitted on the campus and shall not participate in any off-campus College sponsored/affiliated activity. The College may rescind a College degree following the awarding of a College diploma, or may withhold the awarding of a degree pending the outcome of the student discipline process for a violation of the Code or other College policy, that does, or would have the potential to, result in the sanction of Expulsion. The sanction of Expulsion is noted on the student's academic transcript. Expulsion is not considered to be punitive or a deterrent in the criminal or civil sense, but rather a determination by the College that the student has demonstrated by his/her conduct that he/she is unqualified to continue as a member of the College community.
19. **Withholding Degree:** The College may withhold awarding a degree otherwise earned until the completion of the process set forth in this Code, including the completion of all sanctions imposed, if any.

H. Interim Sanctions including Suspension of Privileges and No Contact Directive

An Interim Sanction can be either an interim measure and/or an interim protection. In certain circumstances, the Dean of Students, or designee, may impose an interim sanction suspending select College privileges and/or a no contact directive.

Interim sanctions including interim suspension of privileges and/or a no contact directive may be imposed:

1. In instances where it is determined that a student poses a potential threat to another; or
2. To ensure the safety and wellbeing of members of the College community or preservation of College property; or
3. To ensure the student's own physical or emotional safety and wellbeing; or
4. If the student poses a threat of disruptions or interference with the normal operations of the College.

Every attempt will be made by the Dean of Students, or designee, to meet as soon as possible with the student before implementing any interim sanctions. The decision will be communicated in writing to the student.

During the interim sanctions, a student may be denied access to the residence halls, other campus facilities, and/or to the campus (including classes), and/or all other College activities or privileges for which the student might otherwise be eligible, as the Dean of Students may determine to be appropriate. An interim measure may also involve changes to academic and extracurricular activities, housing, transportation, dining, and/or working situations as appropriate.

The no contact directive, specific to a person and/or location, prohibits a student from having direct or indirect communication or contact with a specified person; including, but not limited to in person communication, electronic communication, mail, and/or third-party communication.

The interim suspension of privileges or no contact directive does not replace the regular student discipline process, which shall proceed on the normal schedule, if required.

The interim suspension of privileges and/or no contact directive shall remain in effect until the Dean of Students, or designee, determines that the reason for imposing the suspension or no contact directive no longer exists or the proceeding concludes which will determine what if any sanctions, will be imposed.

I. Appeals

Students who have violated the Code of Conduct, as determined by PCC, AHO or DHB may appeal the decision and or the imposed sanction within (5) days from the date that the Outcome Letter is sent. If the student does not submit an appeal within the prescribed time, the sanctions(s) will be applied, no appeal will be considered and the matter will be concluded. The decision of the Disciplinary Hearing Board (DHB) regarding responsibility of violations of intimate partner violence, non-consensual sexual contact, sexual assault, sexual

misconduct, and/or stalking may be appealed by the Respondent or Complainant within five (5) business days of the decision.

The purpose of the appeal is not to rehear the underlying student discipline case. The sole purpose of an appeal is to determine if there is, in the first instance, sufficient information based on the written record before the Appeal Officer or Appeal Board to establish its jurisdiction to consider and decide the appeal and, if so, thereafter, to determine whether the information submitted by the student states sufficient grounds (see below) to grant the appeal and take any of the actions described below.

Only one appeal is permitted. Such appeals shall be submitted in writing, signed by the student and shall be delivered to the Dean of Students, or designee. The appeal may only be authored, signed, and submitted by the student and shall consist of:

1. A completed Appeal Request Form (available in the Office of the Dean of Students and the Office of Community Life or on the Community Life website), and
2. A statement outlining and supporting the specific basis upon which the student is appealing. It is the responsibility of the appealing student to clearly and specifically explain and support in their written statement the grounds on which they are appealing.

Grounds for Appeal - An appeal must be based on one or more of the following grounds or it will not be accepted and considered:

1. A process or procedural error was made that was significantly prejudicial to the outcome of the hearing as it affects the student appealing.
2. New information that was not available or known to the student appealing at the time of the hearing has arisen which, when considered, may materially alter the outcome. NOTE: Information that the appealing student chose not to present at the time of the hearing is not considered new information.
3. The severity of the sanction imposed was not appropriate based on the section of the Code or other College policy which the student was found to have violated.

If an appeal is received from either the complainant or the respondent in cases of intimate partner violence, non-consensual sexual contact, sexual assault, sexual misconduct, and/or stalking, the Dean of Students, or designee, will notify, in writing, the non-appealing student within five (5) business days of receipt of the appeal that an appeal has been filed and the ground(s) upon which the appeal has been made. Within five (5) business days of such notification, the non-appealing student may submit a written statement to the Dean of Students, or designee, that they wish to be considered by the Appeal Board.

Any person who is a member of the Disciplinary Hearing Board may also serve on the Appeal Board or as an Appeal Officer, but may not be one of the three (3) original DHB panel members or facilitator. The Dean of Students, or designee, determines who will serve on the Appeal Board or as an Appeal Officer. An Appeal Board shall be composed of three members of the DHB pool.

For Peer Conduct Council or Administrative Hearing Appeals, the Dean of Students or designee will serve as the Appeal Officer.

The Appeal Board or Appeal Officer will not meet with the students or rehear the case. The Appeal Board or Appeal Officer will consider the merits of an appeal on the basis of the information provided in the Appeal Request form, the student's written statement, character testimonies, the written record of the case, and the student's entire discipline record.

During the consideration of a request for an appeal, sanctions assessed by the hearing officer, Peer Conduct Council or DHB shall not be in effect. However, the Dean of Students, or designee, may impose conditions or continue existing conditions governing the respondent's continued relationship with the College during the appeal process.

Responses to Request for Appeal - Based on the information provided in the Appeal Request form, the student's written statement, character testimonies, the written record of the case, and the student's entire discipline record, the Appeal Board or Appeal Officer will:

1. Reject the appeal if it finds the basis for appeal unsubstantiated; or
2. Reject the appeal if it finds that any procedural errors were minor in nature and would not have altered the outcome of the hearing or the sanctions imposed; or
3. Modify the sanction(s) if they are found to be inappropriate; or
4. Remand the case to the original hearing officer, Peer Conduct Council or DHB for further consideration (which may include but does not require a rehearing of the entire matter) if a procedural error or new information, as defined above, has arisen. In such cases, the same hearing officer, Peer Conduct Council or DHB who originally heard the case shall reconvene as soon as possible. If the hearing officer or a member of the original Peer Conduct Council or DHB is no longer available, the Dean of Students, or designee, will appoint another hearing officer, or in the case of the unavailability of one or more of the Peer Conduct Council or DHB members, they will select additional Peer Conduct Council members or DHB members from the Peer Conduct Council and DHB pools.
5. Remand the case to a new hearing officer, Peer Conduct Council or DHB for further consideration where substantial procedural error is determined to have unfairly influenced the hearing.
6. Alter the decision of the hearing officer, Peer Conduct Council or DHB panel and associated consequences/sanctions.

The Appeal Board or Appeal Officer deliberates in private. The Appeal Board or Appeal Officer is required to indicate their decision and identify rationale for that decision via letter. The appeal decision will be communicated to the respondent in writing (and to the complainant for violations of intimate partner violence, non-consensual sexual contact, sexual assault, sexual misconduct, and/or stalking), usually within 3-5 days after a decision has been reached.

Decisions rendered by the Appeal Board or Appeal Officer are final and not subject to further appeal. Cases sent back to a hearing officer, Peer Conduct Council or DHB or other step in the Student Conduct process are not eligible for a second appeal.
